York Hotel  
Balto. Md.

Dear Pompez:

One of my main notes was to discuss the contents of this letter with you at the meeting, and I neglected to do so. I decided to write you to Baltimore, as I should start to work on the game if we are going to play it. You wrote me May 15th and said you were going to cancel out some of the games we had scheduled. I assume you mean the June 17th and 18th dates. We are scheduled the 26th in Patterson, and I want to know if you are going to play that game. I assume you will because you are in the stadium the next day.

We played in Patterson last Saturday, and did not do so hot, but we played at 3 o'clock. I think we should try 5:30 next time, and I wish you would help check the gate and tickets. I had the help from Ruppert Stadium work last week, but they should be checked on better. If you are around here lets get together and see if we can plan anything to help Patterson. We should be able to do something there. We have the best newspaper cooperation in the country.

Please let me hear from you right away.

Very Truly Yours
